The Lady Tigers turned in a super season again this year with a record of 17-8. The ladies were Bi-district runner-up to the powerful Carson Newman. The lady tigers were KIAC seasonal champs, NAIA District 32 champs, and KIAC tournament runner-up. All of this was accomplished without the aid of seniors. Ernestine Carter was named to the 2nd team All-American. She was also NAIA District 32 player of the year. Pam Smith was named KIAC all conference. Next year the lady tigers are determined to gain a national victory.

The tiger season looked hopeful with the return of seven seniors. But, it was a disappointing season as the tigers fell short of the mark against the highly ranked Cumberland College. The bright spot in the season was the honor received by Larry Beard being named player of the year KIAC Conference and District 32. Jeff Gumm had an excellent year and was named to the all conference and District 32 teams. The tigers ended the season 16-12.

Editor's Note

A yearbook's purpose is to present the past year's events in a collection. This year we, on the Maple Trail staff, tried to improve on the previous year's book. It is also our hope that you enjoy the book. It was put together with you in mind. We couldn't have done it without your help and cooperation.

I would like to express my thanks to my photographers, especially Chris Knoll and Terri Thompson. They managed to fit the yearbook in their schedules. Robin Bennett was a great source of criticism and encouragement. Again this year I must thank the Public Relations office for the pictures they provided. A special thanks goes to Andy Cundiff for making the artwork worth the wait. Enjoy the staff's work.

Sincerely,
Cathie Curry
Maple Trail editor
